Thank you for your support of the National Veterans' Training Institute Alumni Association and your contribution.

You are joining an organization dedicated to service for veterans. The graduates of NVTI, through the leadership and dedication of the Alumni Association, have been successful through joint action with other veterans' service organizations in spearheading the effort to restore and continue funding for the DVOP, LVER and NVTI programs. These programs provide invaluable services to veterans and now most legislators are also aware of these facts. This national network has had a positive effect on veterans' services nationwide. You may find out more or contact the NVTI Alumni Association at http://alumni.nvti.cudenver.edu/.

To be a viable force in service to veterans, we need members and your ideas.

APPLICATION MAY BE MAILED TO: NVTI Alumni Association
